

## REMARKS

Applicants request favorable consideration and allowance of the subject application in view of the preceding amendments and the following remarks

Claims 33-45 are presented for consideration in lieu of claims 1-25 and 32, which have been canceled without prejudice or disclaimer. Support for claims 33-45 can be found in the original application, as filed. Therefore, no new matter has been added.

Applicants submit that claims 33-45 patentably define features of the electrooptic system of the present invention. Applicants submit, therefore, that the instant application is in condition for allowance. Favorable reconsideration and an early Notice of Allowance are requested.

Applicants' undersigned attorney may be reached in our Washington, D.C. office by telephone at (202) 530-1010. All correspondence should be directed to our address listed below.

Respectfully submitted,
